Protect Your Home from Wildfire

Wildfires in the Pacific Northwest have increased in frequency and severity the last few years. As the threat of wildfire continues to grow, Columbia River PUD continues implementing measures to help reduce the risk of fires starting and spreading in our area.

Determining ways to mitigate fire danger has become a growing priority for electric utilities like the PUD. There are also measures you can take to help protect your family and your home from wildfires:

- Create a 30-foot non-combustible buffer around your home.
- Stack firewood away from your home.
- Clean gutters before fire season and keep them free of debris.
- Dispose of yard debris safely. This may mean composting, recycling, or chipping instead of burning.
- Trim branches along your driveway and your home. Contact CRPUD at (503) 397-1844 to trim branches near power lines.

See additional suggestions at www.ready.gov/wildfires.

July Volunteer of the Month is Judy Brown

Volunteer of the month is Judy Brown. Judy is the "go to" gal. She works the front desk, is a past MOW driver, and always helps out at the center. When we have bazaars, she works the treasure table or sells raffle tickets. Judy is an invaluable asset to the center and is appreciated by all. Thank you, Judy, for all you do!

Painting with Hope

Many thanks to Hope Wirta for helping seniors find their creativity in painting a lighthouse. Everyone was amazed at their results.
